Who would have thought that taking piano lessons would be such a turn on? None other than Brook. The instructor's gone so now she can tickle the ivories as well as her pussy. Pulling out a good sized pink vibrator from the piano bench, she lets down her long hair and pushes it right in.

NUDE MODEL NOOKIE

Mine was a most coveted job . . .

Well, coveted by the adventurous and uninhibited souls willing to be a nude model for a classful of art students.

I had worked at the campus bookstore all of two days before calling it quits. Too damned boring. Too damned confining. Customer service was the pits. But baring all, well, that was right up my alley.

Talk about cushy!

All I had to do was take off my clothes and stand there.

My roommate thought I was nuts. "There's no way I could get naked in a room filled with strangers," she had told me. "I don't see how you do it, Betsy." "I need the money, Catherine," I had replied matter-of-factly.

This was certainly true. College wasn't cheap, not by a long shot. But my reasons for posing went far beyond the merely monetary. I craved the attention. Big time. Having been blessed with a spectacular body, I saw no reason why I shouldn't flaunt it.

And that's exactly what I had been doing when Professor Whitten dismissed the class. Students put away their drawing pencils and sketchbooks as I donned my robe and headed for the supply closet which doubled as a changing room.

Minutes later I emerged to find Catherine sitting in the otherwise empty classroom. I was surprised to see her. Catherine was a Philosophy major and almost never came to the Fine Arts building.

"What's up?"

"Oh Betsy." She smiled and shook her head. "Have I got news for you . . ."

I waited and waited. "I'm listening."

"It would seem," she told me, her smile getting even wider, "that you have a secret admirer . . ."

Catherine paused for dramatic effect.

Then she told me the whole story . . .

I didn't tarry, not one second. Catherine's tantalizing tale called for immediate action. I thanked her, grabbed my bookbag, and fled the classroom in a state of high excitement.

Hastening across campus, I thought about what she had told me. Was my unbridled enthusiasm misguided? After all, a lot of people in my position would have been angry. And creeped out. Hell, I knew a lot of girls who would have reported the incident to campus police.

Should I do the same thing?

No way, I told myself.

Being the object of a voyeur's gaze was thrilling, especially when that voyeur was captain of the swim team and rumored to be hung like a horse!

"How did you find out?" Jon Pound asked.

"My roommate saw you," I told him.

"And you're not mad?"

I laughed. "Mad? Hell no. I'm flattered."

He relaxed for the first time since I'd entered his dorm room. "Whew. That's a relief."

I had gone straight to the athletic residence hall and located Jon's room thanks to some random jock wandering the halls. Of course, Jon had been surprised to see me. We hardly knew each other at all. Still, he had let me in after I had told him that I needed to talk to him about something very important.

Now, having confronted him with what Catherine had told me, I stood there debating my next move.

"It turns me on, Jon," I said. "You standing at the window, watching me like that. How did you know when and where I would

The Toes Knows

I'm not a foot fetish kind of woman at all. I'm happily married, and love my husband dearly, and often. The reason that I'm writing is to say how much the both of us loved the Alex Grey pictures.

We're pretty liberal when it comes to sex and have subscriptions to several other magazines.

be posing?"

"A guy on the swim team, Fred, told me. A good friend of his is minoring in Art."

"I see."

Jon said, "Does it really?"

"What?"

"Turn you on?"

"More than you know . . ."

But he found out soon enough when I took off my clothes and told him to sit on the bed. I crouched there on the floor between his outstretched legs, peeling his athletic shorts and briefs.

The rumors were true. Jon had an enormous cock. And it wasn't even fully erect. Not yet anyway. But that changed after I treated him to a sloppy blowjob. "You ready to stick that big dick in my tight pussy?"

Jon patted the bed beside him. I hopped up there and assumed the doggy position. He moved behind me and plunged his rod into my cunt. He fucked me good, damned good, battering my box like a true champion.

I had watched him swim a handful of times. He was impressive in the water. But those skills paled in comparison to his extraordinary abilities in the sack.

Before long he turned me over. I lay there, my legs spread wide, and rubbed my pussy in anticipation. "Come on, Jon. Don't make me wait. Fuck me good . . ."

He mounted me none too gently. I grunted. His was the biggest cock I had ever had. Holding my ankles, he pushed my legs apart and hammered my hole in earnest.

Moments later, without my prompting, he pulled out and jerked off on my tits.

The semester rolled on. Jon and I became regular fuck buddies. Still, he kept coming to the window to watch me pose. I never saw him, but I always knew when he was there. I could feel him. And it was a fabulous sensation, being watched like that.

At least until Professor Whitten ruined the whole thing by moving his economics class to the third floor!

BANK BANG

Who would have thought my best sexual experience would be in a bank branch just off campus where I work part time. After closing one night, I was cleaning the banking floor as normal when I hear someone upstairs, so I went up to see what was going on. I walked down a hallway to the far office and to my surprise, there was the newbie teller Ms Shellie, laying on a couch naked, sliding a dildo in and out of her pussy. She is a good looking babe – early twenties, nice 36-C boobs. She had started about a month ago. She was oblivious to me watching her. I stood there several minutes, my cock stiff.

Suddenly, she noticed me standing in the doorway and without hesitation, smiled and said she was working late. I didn't think twice and went over to her. She sat up and undid my pants and slid them down. She took my cock in her mouth sucking on it, making it even harder.

Ms. Shellie laid back on the couch, legs wide open, and in a second I was naked and between her legs and slid my cock into her until all of it was up her hot wet pussy. I plunged in and out of her, banging my balls against her soft ass cheeks. She wrapped her legs around me and was bucking against me as she was cumming. I was inside her, banging her until I shot my load of juice up her

Why? Well, when I met my now husband, he had a huge DVD collection of porn. It took a while for me to understand, but eventually, I did, and began watching with him. Of course it led to some wild sex, but that's not the point.

We would have fun rating the videos and the porn stars. We were especially hard on (no pun intended) the guys. But when we rated the ladies during those times, we noticed that the few fetish scenes in the videos were actually more of a turn on, especially

fucking soaking wet pussy until I went limp. After catching our breath, we both got dressed, she went home and I finished cleaning the offices.

Everything went on as usual for about a week until one evening I saw she was working late again and she was wondering if I eat pussy as good as I fuck. I said, well there is only one way to find out. She did not mince any words. She said she'd be off tomorrow, come over to her home after nine. She gave me her address and insisted that I be right on time.

The next morning I was with her in the bedroom. Both of us naked. I went down and ate pussy, nice and plump and pink, licking and sucking her clit over and over until she was cumming. I slid my tongue in her pussy and she was moaning and pushing her pussy against my mouth. She whispered that she was ready for me, and my cock. I worked my way up over her body as my cock found it's target. I had her legs over my shoulders, thrusting into her.

As I fucked her, I had her stretched out in the wishbone and pounded that warm-pussy the whole day. The bed rocked back and forth, her loud moanings were the only sounds in the place. She let out a moan and said 'fuck me harder.'

I was more than happy to do so, taking her legs over my shoulders and shoved my cock deep into her, fucking her, pounding her, her boobs bouncing. Her pussy tightened around my cock as she was cumming again and she said 'don't stop.' I didn't until I exploded and filled her pussy with my cum and then went limp. But Ms. Shellie still wanted to fuck some more. She sucked my cock hard again, straddled me and we fucked until we both came again.

Everytime we have sex, she says she's in paradise and lays there with her mouth open and her eyes rolled inside out. Sometimes she tends to doze off with my dick still inside her.

She tells me it feels so good, she can fall asleep during intercourse. But somehow we still manage to have the best sex possible. She says she is so addicted to me and never wants me to go. I try not to go, but I always try to come.

But evening does come and I must go. I showered and dressed. She puts a robe on. Before I left, she said she wanted to meet once a week. I agreed and we made the arrangements. Every Friday night, after dinner but before eight. That is why I have always loved sex with an professional woman. They know what they want.

• *Tyler S., First National*

the foot fetish scenes. We tried some paddling and fur handcuffs and it was fun. However, it was the cum-on-the-toes scenes that were the biggest turn ons. Now I keep my toes nicely pedicured and we have one hell of a time with it. So, thank you guys, and Alex, for turning us on to this.

MARY ANN

I'm a ready and willing lover. All of my experiences in the sack have been good ones. Didn't matter if they were guys or girls, the sex has always been great. I've even brought some sexy ladies into my boyfriend's bed, much to his surprise – and pleasure. But today, it's just he and I.

SAMANTHA

Smarty Sammy got straight As on her last semester tests. Now it's time to celebrate and what better way can a college co-ed find a happy release than through sex. Our happy matriculator is about to start school soon for another degree, but first, it's time to enjoy this one, and the other one.

I'M LOOKING FOR ONE MORE

Clubhouse Initiation

My brother's friend caught me frigging my pussy on their turf. Then he offered me the real thing.

The first time I heard about a blowjob, I was a teenager. I was staying over at my friend's house and her sister Marcie, an 18-year-old cheerleader was home. It was late and I couldn't sleep, so I got up and went downstairs. On the way down I heard a boy's voice coming from their den, so I walked over and had a look.

Sitting in her dad's favorite chair was Marcie's boyfriend, Eddie. His pants were off and Marcie, who wasn't wearing anything on top, was kneeling between his legs. I couldn't make out what she was doing at first, because her long hair covered her face. But very soon I saw that Eddie's cock was sticking straight up and Marcie was sucking it like a lollipop. I didn't know the word "cock" then. To me it was his "thing." I'd seen my brother's a few times, but it wasn't as big as Eddie's.

"Oooh," Eddie was moaning. "Marcie, baby, you're such a good cocksucker! Yeah, lick my nuts. Just like that. Oh, yeah!"

Even though the lights were dim, I could see Marcie's tongue licking Eddie's cock all over. She kept squeezing her bare tits, and even from where I stood I could see how red her nipples were. She was really into what she was doing. Marcie's head bounced faster and faster in Eddie's lap and his hips kept thrusting his pole into

her mouth.

"Oh, Marcie. I'm there! Oooh, now!" Eddie yelled. He stopped moving and his face froze. I saw Marcie raise her head until only the tip of his cock was in her mouth. White stuff kept oozing from between her lips and I could tell from the noise she made and from her throat movements that she was swallowing whatever was coming out of Eddie's cock. Pretty soon she licked up the stuff from her hand and told Eddie to put his pants on.

That night awakened my curiosity about sex. I kept my eyes and ears open from then on, "accidentally" walking in the bathroom while my brother's friend was in the shower and listening to other girls talk about sex.

During the summer when I was older, my brother James went away to football camp. He and some of his friends had built a clubhouse in the woods, about 15 minutes from our neighborhood. I found James's key in his desk drawer and set out the next morning, anxious to explore their boys-only domain.

The clubhouse which was nestled on the side of a hill was built out of scrap material. Even so, it was sturdy enough for the guys to sleep hang out in during most any kind of weather. The door was padlocked, but James's

key opened it and I entered.

The cabin was about the size of a small bedroom. The walls were decorated with posters of football players and a lot of naked women. I started snooping into the drawers of a cabinet against one of the walls. I found a stash of weed and a whole stack of porn magazines that showed everything, and I mean everything—cocks in cunts, cocks in mouths, cocks shooting cum, tongues on cunts, women licking cum—everything imaginable. So I proceeded to roll a joint and settled down on a pile of cushions to look at the pictures.

I knew enough from girl talk to really appreciate the pictures, and I remembered that incident when I saw Marcie sucking off her boyfriend. I really dug the pictures showing big dicks, especially when they were spitting sperm in the air or in some girl's mouth. It wasn't long before the weed, the closeness of the cabin and my own horniness made my clothes feel confining, so I shucked my shorts and halter and plopped my bare ass down on the cushions, which felt tight and cool.

Lying back on the cushions, I propped up some of the magazines so I was surrounded by pictures of cocks. I pinched my already hard nipples and hurried down to tickle my clit. Then I ran a finger over my sopping groove. I worked at my pussy lips, pulling them apart so I could stick a finger into my channel. Every nerve was wired as I worked my fingers into my honeypot. With my free hand I was squeezing my tits while imagining some good-looking dude was squeezing my tits and pounding his dick into my cunt. He was getting ready to pop it into my waiting and willing mouth, and I wanted to be a good cocksucker. Just like Marcie.

I think I was having one huge, long-lasting orgasm, because the feelings from my pussy were intense and I was literally gushing juice. Through my lust-clouded eyes I saw the pictures blurring as I cried out, all the while sliding my fingers in and out of my pussy.

The blurred images slowly took on the shape of a big guy. I slowly realized that I was not seeing things that someone was standing in the doorway and staring at my nakedness.

I managed to stop masturbating, but was too numb with shock and lust to try to cover myself or even talk. The boy stepped into the cabin, and then he shut and bolted the door. I recognized him as Jeff, a friend of my brother's. We stared at one another for what seemed ages, both of us communicating with our eyes the animal passions we were feeling. Finally Jeff said, "Lana, how would you like the real thing?"

In reply I just laid back and nodded. He pulled his T-shirt over his head and unzipped his shorts. Stepping over to me, Jeff said, "Take them off." I pulled the shorts down, noting he had no underwear on. I was staring at crotch when his cock sprang out of his shorts, up in front of my face, slinging a strand of clear juice onto my chin.

I stared at that purple cockhead

just inches from my face. As I watched, it jumped with his heartbeat and another bead of juice oozed from the tip of his tube. I could feel the heat of his loins, and the animal smell of his crotch made my nostrils flare and my mouth water. I stuck out my tongue and touched the head of his long cock, capturing the juice. I sucked him into my mouth, savoring his warmth and sweetness.

Wanting more, I engulfed the entire cockhead in my lips, just like in the pictures, and began to suck at the gaping hole.

My fingers automatically went to the dark and hairy sac that dangled underneath his cock. I raked my fingers along the loose skin and heard Jeff draw his breath in quickly, hissing between his clenched teeth. I could taste more of his delicious juice as I fed his peter into my mouth, still trying to emulate the cocksuckers in the pictures.

I lifted my gaze and saw Jeff's face, his eyes closed, reveling in the pleasure of my mouth. I worked my tongue around his meat as Jeff's hands grabbed the back of my head, his fingers twisting in my hair. I reached around his muscular ass and grabbed a cheek in each hand. He began to pump his hips, jamming his dick into my willing mouth. I could feel Jeff's ass thrusting his sex muscle back and forth.

It wasn't long before I felt his meat swelling inside my mouth. His fingers tightened in my hair and I felt his ass muscles tighten as he shot his first stream of cum into my mouth. Since his cock was so far back in my throat, it seemed to slide right down to my belly. I managed to push Jeff back a bit and felt his next spurt hit the inside of my cheek.

He kept pumping juice into my

mouth as I rolled my tongue around his spitting shaft. It felt like warm pudding, thick and wet. It tasted salty and tangy, and it was good. His cream finally stopped shooting and just flowed in a slow stream. I felt his body relax and his cock started to shrink.

I gulped down another wad of his thick cream and kept up my tongue and suction action, knowing he'd have to get hard again to satisfy the fire in my fork. The rest of his juice slid easily down my throat. I felt Jeff's cock was not going to go totally soft, so I pulled away from his wet shaft and watched it slide out of my mouth. I lay back, and only our eyes spoke. Jeff grabbed my feet and bent my legs back till my knees touched my shoulders. I felt his meat probing my wet entrance and In an instant he buried it in me with one thrust.

The air rushed out of me with a grunt and suddenly I was aware of Jeff's sweat-drenched, hairy chest looming over me. My pussy was packed with his hot meat and our hips banged together as we rocked on the cushions. I reached up and held Jeff's face, then locked my lips to his. I loved feeling my own damp skin touching his. Our tongues danced as our fucking forced passionate groans from way down deep in our chests.

Faster and faster, Jeff's piston pumped my cunt, sending shudders through my entire body. My orgasm, unlike any I'd ever had, tore through me and raced out of my throat in a scream that resounded into Jeff's mouth. Somewhere in the middle of my orgasm, Jeff tensed and sent another load of semen out of his cock.

We lay there together, unable to move. I felt Jeff's cock shrink inside me and as he rolled off it slipped out,

letting all the fluid in my battered and well-fucked cunt flow out. I reached down and felt a load of hot cum and pussy juice. I knew then I had been born a cock eater.

Jeff cupped my chin in his palm and kissed me tenderly on the lips, quite a contrast to our wild coupling moments before. He ran his finger through my hair, pushing a strand from my forehead. "Wow!" he finally said in a barely audible whisper. "You're something else, Lana!"

"So are you," I said, smiling and kissing a drop of sweat off his nose. Jeff took my hand and pulled me to my feet. On trembling legs I walked out of the cabin with him, still naked. We rinsed the sweat from our bodies in a cold lake nearby. I rinsed out my pussy, and then washed off Jeff's cock. In the bright sunlight his cock seemed gigantic as I rolled it between my palms.

Jeff began scooping up the icy water and let it run over my nipples, which jumped out with big goosebumps. I tickled his balls and was about to feed his slowly stiffening muscle into my mouth when he made me lie back on the grass. He lifted my legs over his shoulders and buried his face in my pussy, tonguing my clit to one orgasm after another.

Later, as we lay on the grass, Jeff told me how he often spent summer

days alone in the cabin, just to get away from his little brothers and sisters. "I come down here to be alone, hang out, relax," he said. "But today I saw that the door was unlocked, so I looked in the window and saw you there. I've had my eye on you for a long time, but I didn't know what James would think if he knew I was interested in his kid sister. Hell, he'll kill me if he ever finds out about

this."

"Don't worry, Jeff," I reassured him, stroking his cock to stiffness once again. "I won't say anything. After all, good girls don't talk with their mouths full." And with that I took him into my mouth all the way till his pubes tickled my nose. Then I moved my mouth down and began to nibble his sac. I was in no hurry; I just wanted to give him pleasure.

I worked on Jeff's straining pole for a while, teasing and pleasing him, and always easing up when he was about to come. When he started begging me to let him shoot, his throbbing rod was red with desire. It seemed even bigger than before as the veins stood out. I jerked him off, watching the fountain of goo jet out and onto his stomach. I greedily licked his juice from his body and my fingers, and then I cleaned his tired dick.

Jeff and I spent the rest of the summer having sex in the cabin and next to the lake. We dated while we were in high school. Even after he went off to college, we still got together for some wild sex sessions when he came home for vacations. I learned to love using my mouth, thanks to Jeff and his lovely cock. And all the guys I've gone down on since say I'm the best.

I can't argue with that. Good girls don't talk with their mouths full!

MADI & AIDRA

Madi and Aidra are really good friends. This weekend they decided to go to Madi's family cabin in Sonoma County. All alone for the two days, they spend absolutely no time getting intimate. It's a warm, long, slow, fuzzy lovemaking session full of nipple sucking, pussy licking and fingering.
